

# WHY YOU SHOULD JOIN THE ALPINE EDUCATION ASSOCIATION

1. Professionals join their organizations! (AMA-Doctors, ADA-Dentists, ABA-Lawyers)
2. The majority of Alpine teachers join. Educators unite for a strong voice for education (national, state, and local issues).
3. You may need professional help (lawsuits, accusations, insurance, salary, etc).
4. The Association has negotiated your salary, benefits, and rights.
5. The Association promotes professionalism (training, leadership, workshops).
