

Vision Discount Plan

INTRODUCING TOTAL DENTAL ADMINISTRATORS' VISION DISCOUNT PLAN

What is Total Dental Administrators' Vision Discount Plan? It's a managed vision care program combining unlimited choice with quality and value. And it is provided **free of charge** to all employees and dependents enrolled in a Total Dental Administrators' Dental Plan, including the TDA-PPO, Elite Choice, TDA-Companion and the Total Care Plans. For questions concerning customer service and the provider network, members will visit www.eyemedvisioncare.com

Provider Network: ACCESS

SUPERIOR VALUE

Members enjoy savings of up to 40% off retail prices, at an unlimited frequency.

QUALITY PRODUCTS

Total Dental Administrators' Vision Discount Plan members have unlimited choice of available eyewear products. Our members are free to select from any available frame, including designer frames.

SERVICE EXCELLENCE

EyeMed focuses on delivering service excellence throughout all areas of program administration, featuring call center representatives available seven days a week, including evenings. They combine innovative solutions with the most current technology to enhance the administrative experience for both clients and members.

EXTENSIVE PROVIDER NETWORK

Unlike other programs that may restrict provider options, Total Dental Administrators' Vision Discount Plan offers a nationwide network of convenient, accessible options for eye care. Total Dental Administrators, through EyeMed Vision Care, offers easy access to thousands of conveniently located vision care providers including optometrists, ophthalmologists, opticians, and many leading optical retailers, such as LensCrafters, Target Optical, and most Sears Optical, JC Penney Optical and most Pearle Vision locations.

Access to more than 40,000 vision care providers at 19,000 convenient locations nationwide

Evening and weekend hours at many locations

Choice of thousands of fashionable designer frames

No appointment necessary, and service in "about an hour" at most locations

Plus thousands of private practitioners.

VISION WELLNESS

Eye exams are important to your health! Comprehensive eye exams not only reveal vision conditions, but also can detect medical conditions such as diabetes or high blood pressure. Quality care is easy to find as all EyeMed providers must meet NCQA Credentialing standards and are monitored through a Quality Assurance program.

Vision Discount Plan

EyeMed Vision Plans are underwritten by Companion Life, a company with an A+ (Superior) rating by AM

TOTAL DENTAL ADMINISTRATORS' VISION DISCOUNT PLAN

The Vision Discount Plan is included **free of charge** on all Total Dental Administrators dental plans including the TDA-PPO, Elite Choice, TDA Companion, and Total Care

After initial purchase, replacement contact lenses may be obtained via the Internet at substantial savings and mailed directly to the member. Details are available at www.eyemedvisioncare.com. Members will receive a 20% discount on items not included under plan coverage if purchased at participating providers. This 20% discount may not be combined with any other discounts or promotional offers, and does not apply to EyeMed Provider's professional services or contact lenses. Retail prices may vary by location.

VISION CARE SERVICES ONLY

IN NETWORK

Exam with Dilation (as necessary)	\$5 off exam
Contact Lens Fit and Follow-up Standard	\$10 off exam

When a complete pair of glasses is purchased (frame, lenses and lens options purchased in same transaction), the following discounts apply.

FRAMES

Any available frame at provider location— 35% off retail price when complete pair of eyeglasses purchased, otherwise 20% discount.

Contract Term: Discount valid for 24 months from your group's effective date.

STANDARD PLASTIC LENSES PAYS

MEMBER

Hearing *services* plan

what is total dental administrators' hearing services plan?

It's a hearing care program combining unlimited choice with quality and value. And it is provided **free of charge** to all employees who are enrolled in a TDA dental plan. The Hearing Services Plan (HSP) may be extended to any family member! Hearing allows us to experience our world. Music, radio, television, movies and theater are less accessible and enjoyable without it. And the loss of sounds like sirens and alarms can actually endanger our lives.

why have a hearing services plan?

Ten percent of the US population have some form of hearing impairment. Hearing loss is the number three chronic health problem in the country. It is usually treatable, but fewer than 25% of people who can benefit are treated, often because of concerns about cost, difficulty in finding a hearing health specialist, or confusion about the wide range of options in hearing aid technology.

With the Total Dental Administrators Hearing Services Plan, you can get assistance, protection and treatment for your hearing. Brought to you by **Total Dental Administrators, Companion Life** and **EPIC Hearing Health Care**, this plan gives you easy access to a national network of thousands of hearing health professionals - primarily physicians and audiologists – who can help you achieve your maximum hearing potential throughout your life.

The plan is a negotiated benefit. You pay nothing to join and get reduced rates for most fees and costs associated with your hearing health care under the plan.

what does the plan do for you?

The Total Dental Administrators Hearing Services Plan identifies and screens qualified experts – physicians and audiologists in your neighborhood. We research and evaluate hearing aid technology to assure that the latest and most effective options are available to you.

We negotiate the best prices for all treatments, including hearing aids. Prices you get from EPIC may be as much as 50% below manufacturers' suggested retail price and up to 35% lower than most discount offers. And we also coordinate the coverage with your existing healthcare plans.

Hearing *services* plan

HEAR THE DIFFERENCE

HOW DOES SOMEONE KNOW WHEN TO CALL?

Hearing loss usually occurs gradually, without pain, discomfort or deformity, but indicators like these should prompt evaluation:

- **Difficulty understanding voices and words (especially those of women and children)**
- **Occasional ringing in one or both ears**
- **Itching in the ear canals**
- **Difficulty understanding in noisy situations**
- **Turning the TV volume up to understand the dialogue**

In addition, more serious symptoms merit immediate attention of a physician:

- **Sudden hearing loss**
- **Spinning or dizziness with vomiting**
- **Persistent ringing in one ear**
- **Blood or fluid draining from one or both ears**
- **Persistent pain in one or both ears**

GETTING STARTED IS EASY!

To activate your Total Dental Administrators Hearing Services Plan benefits, call EPIC Hearing Health Care at 1-866-956-5400. EPIC will send you a card with all the information you need to access your benefits, including referrals to providers near you and activation forms to access them. You get a booklet outlining all the plan benefits, including detailed pricing. And you get a personal EPIC phone contact who can answer any questions you may have. Then you will follow through with an appointment, examination, and treatment. All payments should be made to EPIC HSP. No other billing or payments should occur. And you can contact EPIC at any time for assistance, advice and information.

SUMMARY OF BENEFITS AND SAVINGS

The Total Dental Administrators Hearing Services Plan benefits and savings are:

- **Hearing tests**
- **Hearing aids**
- **Hearing aid batteries**
- **Ear protection**
- **Alerting and signaling devices**
- **Swim plugs**
- **Musician earplugs**
- **Hearing aid cleaning supplies and accessories**
- **Assistive listening devices**
- **TV ears (amplifies and clarifies television)**

ABOUT THE EPIC ORGANIZATION

EPIC (Ear Professionals International Corporation) is the nation's largest coalition of hearing healthcare physicians and audiologists. EPIC physicians pioneered and developed many of the current treatments and are recognized nationally as leaders in professional education, hearing diagnostics and interventions.
