

CAUCAUS INFORMATION

Dear AEA Members,

We wanted to take a moment at the beginning of March to remind you of the local caucuses that will be occurring this month. The Republican caucuses will be on March 8th. Locations and times can be found at <http://precinctportal.org/>. The Democratic caucuses will be on the 22nd. Locations and times can be found at <https://utcountydems.com/caucus-and-convention-night/>. We ask that you attend your local caucus meeting. Please consider running to become a state delegate. This is where many candidates get vetted. As we have seen with the many attacks on public education this year during the legislative session, we need elected officials who will support public education.

For those of you who live in American Fork, Cedar Hills, Highland, Alpine, and Lehi, we would like to bring to your attention the State School Board race. Cindy Davis, the incumbent, is running again. She is a former ASD teacher and administrator. She was endorsed by AEA's PAC last time she ran for State School Board. AEA has had a great working relationship with Cindy. Her opponent will not be as teacher friendly as she is. We are urging you to support Cindy Davis. If you are a state delegate, please vote for Cindy. If not, contact your state delegate, let them know about the amazing job Cindy has done as our State School Board member.

Cindy is collecting signatures to get onto the ballot as well as running through the caucus. If you are a Republican who lives in one of the previously mentioned cities and would be willing to give your signature to put Cindy on the ballot, please contact Brandon Engles (email: bwe545@gmail.com text: 801-380-0950). You can also let him know if you would be willing to get a signature book and gather signatures.

Thank You,

AEA
